Used Lead Acid Battery Pricelist

June 2021 Perth Metro

Tonnes / Annum	Price Paid / Tonne (excl GST)	Battery Rescue's Margin
1 - 2	**$0**	$215
2 - 3	**$30**	$215
3 - 6	**$70**	$195
6 - 12	**$130**	$135
12 - 24	**$170**	$95
24 - 48	**$210**	$55
48 - 96	**$260**	$60
>96	**$290**	$50

- Based on price paid by the Battery Recycler - Renewed Metal Technologies of $484/tonne.
- A deduction of $200/Tonne applies to non-spillable batteries also known as SLA and AGM Batteries.
- A deduction of $300/Tonne applies for Steel Case batteries & Steel encased UPS.
- Battery Rescue's margin is calculated after deducting transportation and Container financing costs.
- Based on supplying 1 Battery Rescue BTS Container. If an additional BTS Container is requested, then the price paid will be for the next tier down.
- Approximately 50-60 regular car batteries are equivalent to 1 Tonne.

Customer's supplied with a BRD Battery Bin, will be paid $100/T more than the price stated above. For low annual volumes, if the price is stated as $0, they will be paid $75/T.

Prices paid by Battery Rescue will fluctuate according to the price paid by our battery re-processor. If the price paid by or re-processor varies by more than 5% (plus or minus) of the previous month's price, Battery Rescue will update and publish a new price schedule for the current month.
